

Family Kit List – Fall Season

Families need to provide their own dishes. While camping mess kits are ideal, disposable or other unbreakable dishes are fine. Please write the names of your scout's name on all utensils, dishware, and equipment. Remember Leave No Trace. Pack out what we pack in!

- Family-size tent (for parents)
- Tarp (optional)
- Mess kits: Ditty bag (mesh or cloth, so water can drain out and air can flow through) with unbreakable plastic plate, bowl, cup/mug, and juice glass, knife, fork, and spoon for each person. (Disposable dishes are fine if these are not available)
- Water container or jug (optional)
- First aid kit (Band-Aids, Neosporin, alcohol wipes, Ace bandage, guaze, First Aid Tape)
- Lantern and/or flashlights
- Bug repellent & sunscreen (Yes even in Fall! can't say this enough!)

For each individual person see Scout Kit List for reference.

Optional: book, pillow and pillowcase, camera, binoculars, sunglasses, clothespins (for hanging up any damp clothes)
